HEIKES :: HUNTSVILLE :: TREES

The Huntsville Wholesale Nurseries, Inc.

Huntsville, Alabama

WHOLESALE PRICE LIST — FOR THE TRADE ONLY  
Season 1924-1925

# TERMS AND CONDITIONS

---

We book orders in wholesale quantities only.

For convenience in telegraphing orders or inquiries we have inserted cipher words to indicate grades of various kinds of stock.

**RATES**—Apply as follows: When 10 trees and not over 50 are ordered the price will be 2½ cents per tree more than the price per 100. Orders for 50 trees or more up to 300, when not less than 10 trees of each variety, will be charged for at the price per 100. Orders for 300 trees or more, when not less than ten trees of each variety, will be charged for at the price per 1000.

**SEASON**—Our packing and shipping season begins by the 20th of September and continues until the 15th of March.

**SHIPPING DIRECTIONS**—We respectfully beg our patrons to furnish us with explicit directions as to shipping, and the mode of conveyance by which they wish their stock forwarded. When no particular directions are given we forward according to our best judgment, but in no case do we assume any responsibility as to safe delivery and condition of trees and plants after proper shipment by us.

**GUARANTEE OF GENUINENESS**—While we exercise the greatest diligence and care to have all our trees, etc., true to label and hold ourselves in readiness, on proper proof, to replace all trees, etc., that may prove untrue to label free of charge or refund the amount paid, it is mutually understood and agreed to between the purchaser and ourselves that our guarantee of genuineness shall in no case make us liable for any sum greater than that originally received for said trees, etc., that prove untrue.

**ACCEPTANCE**—Notice should be sent us by telegraph, at our expense if there is any cause for complaint, or should the trees, etc., be refused, stating reasons. **CLAIMS FOR DEDUCTION, FROM WHATEVER CAUSE, WILL RECEIVE CONSIDERATION ONLY WHEN MADE PROMPTLY UPON RECEIPT OF THE STOCK.** If trees show any signs of shriveling upon arrival they can usually be restored by being thoroughly watered and buried entirely under the ground for two or three days. Should there be any frost in the trees, etc., upon arrival they should not be removed from boxes until the frost is all out. The box should be placed in the cellar or protected in some way. The presence of frost in the boxes is not to be considered an evidence of bad condition, as we pack to secure the stock against damage, if the frost is allowed to come out the natural way. Goods will be considered accepted if removed from the boxes in which they are packed without notice of complaint to us and without our orders for their disposition.

**CAUTION**—We accept all orders subject to our crop conditions and also upon the condition that they shall be void should injury befall the stock from frost, hail, storm, fire, or other causes over which we have no control.

**TERMS**—Usual nurserymen terms. Cash or satisfactory reference is required of parties unknown to us.

**PRICES**—Are subject to change without notice, and are for stock F. O. B. Huntsville, Alabama, cost of boxes or bales to be added at the following prices:

30 x 30 x 10 feet.....	\$4.00	18 x 24 x 10 feet.....	\$2.75
30 x 30 x 7½ feet.....	3.50	18 x 24 x 7½ feet.....	2.50
24 x 30 x 10 feet.....	3.50	18 x 18 x 10 feet.....	2.50
24 x 30 x 7½ feet.....	3.25	18 x 18 x 7½ feet.....	2.25
24 x 24 x 10 feet.....	3.25	15 x 15 x 7½ feet.....	1.75
24 x 24 x 7½ feet.....	3.00	12 x 12 x 7½ feet.....	1.50

Bales 50 cents and up according to size.

## TO THE TRADE

---

In this Booklet will be found variety lists and prices of all the Nursery Stock we are growing. The space on this page is reserved each year for us to say something of ourselves and our stock. Frankly, the hardest part of making up the new list is to fill this page.

If you were in Huntsville, and we wish it were possible for all of our customers to come to see us, nothing would give us greater pleasure than to take you through our Nursery and to show you what a nice lot of good stock we do have. Growing conditions with us have been almost ideal, plenty rain and sunshine to insure proper development of both root and top.

**PEACH**—We call particular attention to our offerings in Peach. Our One Year Peach are nice, clean, thrifty, well growing trees and run largely to the most popular sizes, then too, we believe that our list of varieties is complete enough to take care of most any one's wants. The growing of high class Peach trees has been one of our leading specialties for a good many years, and we feel sure that the quality of our trees cannot be surpassed.

**PRIVET**—Another one of our specialties of which we grow great quantities, paying particular attention to the development of sufficient branches to make these plants highly desirable. This season we have beautiful blocks of California, Amoor River North and Ibota.

**ROSES**—We have been growing Roses, both budded and on own roots long enough to know how to grow them and also how to grade and handle the plants in a manner satisfactory to the most critical.

**SERVICE**—With our equipment and organization we are able to make prompt shipment of any orders intrusted to our care and we invite you to wire us when in need of a prompt shipment of any of the stock we are growing. When requested by telegraphic order we will make shipment same day telegram is received, provided the order is not too large to be handled in one day.

**DISTRIBUTION POINTS**—Another feature of our service is that we use Rochester, New York and St. Louis, Missouri as car lot distribution points and can nearly always arrange to give buyers of less than car lots benefit of car lot rates to these points. We have connections in both these cities who attend to the re-handling and re-shipping promptly. This service effects not only a saving in freight charges but insures prompt delivery of less than car lot shipments. Customers desiring this service will aid us materially by taking it up with us early enough so that we may arrange shipping dates satisfactory to all who have combination cars.

To those who are unacquainted with us we respectfully refer them to either of the Mercantile Agencies or any Bank or Business House in Huntsville, or to any of the leading Nurserymen in the United States.
